

Free MiWARN Seminar and Tabletop Exercise

Wednesday, June 4, 2014

**Eagle Eye Golf and Conference Center
15500 Chandler Road · Bath, Michigan 48808**

<http://www.hawkhollow.com/map.php>

Please join the Michigan Water/Wastewater Agency Response Network (**MiWARN**); the Michigan Rural Water Association (**MRWA**); the Michigan Department of Environmental Quality (**DEQ**); the Michigan Water Environment Association (**MWEA**); the Michigan Chapters of the Rural Community Assistance Program (**RCAP**), American Public Works Association (**APWA**), and the American Water Works Association (**AWWA**); and representatives from utilities across Michigan for a **free** U.S. EPA-sponsored event focused on emergency preparedness and response to incidents affecting water and wastewater utilities, and public works agencies.

This event will consist of a seminar with presentations and a tabletop exercise (TTX). The seminar presentations will cover topics related to **MiWARN** and water, wastewater, and public works preparedness and response. The TTX will be based on a hypothetical incident designed to bring together the water sector, state and county agencies, and emergency management to discuss roles and responsibilities during a natural disaster.

Natural and manmade disasters can affect Michigan at any time, which emphasizes the need for preparedness at all levels. The seminar and TTX will demonstrate the value of **MiWARN** during an emergency that impacts the water sector and will exhibit how **MiWARN** can be used to facilitate the exchange of needed resources during emergencies.

*Application has been made for water and wastewater operators in attendance to receive 0.5 CECs (DEQ continuing education credits) toward license renewal requirements. **Approval is pending.***

Event Timeline: Wednesday, June 4, 2014

- Check-in: 8:00 a.m. – 8:30 a.m.
- Presentations: 8:30 a.m. – 11:30 a.m.
- Lunch Break: 11:30 a.m. – 12:30 p.m.
